ABOUT US

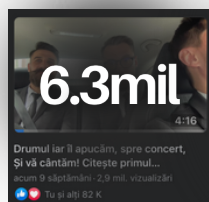

PASSION, ATTENTION TO DETAILS, SENSITIVITY

Ad Libitum Voices vocal group is one of the most famous most pop-opera groups in southeastern Europe. The group stands out both in Romania and abroad for the well-balanced vocal fusion of its four members, as well as for their strong personalities. Over the years, the four members have created a strong bond between each other, which leads to a cohesive sound and a warm atmosphere during artistic moments and concerts.

ENERGY, IMPACT, ENTHUSIASM

Ad Libitum is the only musical group in Romania that combines pop with classical music in an interesting, innovative and successful way. Due to their strong and impactful performances the group has reached hundreds of thousands of people both on TV, taking part in programs with a large audience such as X Factor or Eurovision and also on the Internet, on platforms like Facebook, Instagram, TikTok, or YouTube. Being so passionate they have also reached a lot of souls during their performances in music festivals and concerts.

WHAT REPRESENTS US?

AD LIBITUM VOICES PERFORMANCES FOCUS ON CONNECTING WITH THE AUDIENCE

The different approach of music and their vocal interpretation has attracted a specific audience: an educated audience, generally between the ages of 25 and 60, who appreciate classical music and Opera influences. The main focus in concerts is entertainment but in an original and elevated style.
